

CANADA IN CRISIS

THIS IS A CALL TO ALL RESPONSIBLE CANADIANS TO OPPOSE THE IMPOSITION ON THE CANADIAN PEOPLE OF A CHARTER OF RIGHTS THAT IS WITHOUT GOD, WITHOUT PROTECTION FOR THE UNBORN CHILD AND ANTI-FAMILY.

Prime Minister Trudeau is attempting to impose upon a largely unaware populace, a Charter of "Injustice" to be entrenched in a new constitution. Not only does the Charter reject the right to life of the unborn child, but in its present form it embraces the aspirations of radical feminists and homosexual activists.

With the Charter of "Rights" entrenched in a new constitution, once individuals challenge the existing laws in the Supreme Court, the following **will** happen:

- Abortion on demand would result. Any restriction on abortion would be considered as sex discrimination as abortion affects one sex only.
- Homosexuals will be able to become legally married. They will also be able to adopt children.
- Women will lose preferential auto and life insurance rates.

Also, if their Charter is passed, women may lose many of their existing rights, since the courts have the final say in these matters. Examples of this would be:

- Women would lose the legal protection resulting from the marriage relationship, such as the right to financial support from their husbands for themselves and their children.
- In the military, sexual "equality" may demand that women participate equally with men in combat duty.
- Women in police departments and fire departments would be required to share equally with men in night patrol.

And this is only the beginning!!!

The Liberal majority has already rejected inclusion of God, the primacy of the family, the right to life of the unborn child, and the protection of property rights in the Charter.

Premier Davis, leader of the P.C. Party in Ontario is one of the 2 out of 10 Provincial premiers in Canada who is in support of the Trudeau constitutional package.

Mr. Davis MUST KNOW THAT pro-GOD, pro-FAMILY and pro-LIFE ONTARIANS CANNOT VOTE FOR HIM or HIS PARTY IF HE CONTINUES HIS SUPPORT OF THIS CHARTER OF "INJUSTICE".

WE DESPERATELY NEED YOUR FINANCIAL HELP TO ADVERTISE THE ABOVE INFORMATION TO THE PUBLIC.
