

# VOTE PRO-LIFE

In the Ontario election Campaign Life has asked all candidates of the three major Parties the following question:

"If elected will you support resolutions to stop the funding of abortions through O.H.I.P.?"

To find out where your candidates stand on this issue telephone the Campaign Life office in Toronto (416) 368-8479.

For P.C. candidates that are pro-life we advise you tell them that you would like to vote for them, but that a vote for the P.C.'s is also a vote for Mr. Davis and his support for the Charter of "Injustice". We sincerely hope that Mr. Davis will consider the implications of the Charter and thereby commit himself to withdraw his support unless the appropriate changes are made in the wording of the Charter.
