Dear Sir/Madam:

**Re: Use of Wordmark of the Ontario English Catholic Teachers'  
Association**

I represent the Ontario English Catholic Teachers' Association (OECTA). It has come to our attention that you have used the OECTA wordmark on your website without OECTA's authorization or permission (in conjunction with the March 10, 2012 article, "Ontario Catholic Teachers' Association hosts conference promoting gay agenda"). This is a request that it be removed immediately. Please be advised that if you fail to do so, I will seek instructions from my client with respect to commencing legal action.

Yours truly,

Jerry Raso  
Legal Counsel
