

Act of Consecration of Ukraine to the Immaculate Heart of Mary

Beloved Queen and Our Mother, Queen of the Holy Rosary, Help of Christians, Salvation of the human race, Victorious Virgin, here we humbly fall before You, that You may bring our sincere prayers to Almighty God in the Trinity.

We come in full confidence that we beg for mercy and protection for our Motherland in this dramatic time of war. Mother of Mercy, we ask this not for our merits, which we do not count on, but in view of the infinite goodness of Your Heart and the saving Blood of Christ, Your Son.

May the suffering and cries for help of so many people touch you. Have mercy on the wounded and victims of the shelling, orphans and widows, all those who were forced to leave their homes and seek refuge in safer places. Ask for mercy for those who gave their lives defending their neighbors and our Motherland.

O Immaculate Mother, ask God for the grace of conversion, and we especially ask for the conversion of Russia and all those who are blinded by hatred or thirst for power. Pray for us first of all those graces which can change human hearts in an instant, and which will prepare and bring such a coveted peace! Above all, bring us the gift of spiritual peace so that the Kingdom of God may grow in peace and harmony.

Queen of Peace, ask us for the grace of true reconciliation with God and with each other, so that we can give each other a hand of help and support.

The throne of wisdom, inspire all rulers to make wise decisions and strengthen the efforts of those who contribute to the end of war and peace.

Queen of the Apostles, ask for our pastors the gift of strong faith and zeal in the completion of the Sacraments, so that at this time we may all be united at the Eucharistic table and in zealous prayer.

Heal the sick, strengthen all medical staff and volunteers who care for the sick and wounded, ask for their spiritual and physical strength. Be healing for the sick, strengthening for the dying and fun for their loved ones.

Just as the Church and all mankind were consecrated to the Heart of Your Divine Son, and in Him we hope to become an inexhaustible source of victory and salvation for all, so we dedicate ourselves forever to You and to Your Immaculate Heart, our Mother and Queen, that Your love and care may ensure the victory of the Kingdom of God, and that our Ukraine and all nations reconciled among themselves and with God may bless and glorify You. Amen!
